Wines for the Festive Season

VISTAMAR

VISTAMAR

In developing our wines, the most important thing is to show through them the essence of the New World.

To understand each valley with the characteristics of its climate and soils, which is part of the terroir of each variety. In this way, we manage to obtain a range, from fresh wines with fruity aromas and intense colours to more complex ones with great intensity, all of them highly characteristic of Chile.

Vistamar offers a unique experience of daring to enjoy the simplicity of any occasion or company.

Brisa Sauvignon Blanc

The grapes from which this wine is made come from different micro-climates in the Central Valley, producing an expressive combination of aromas and flavours. The result is a fresh, smooth and very fruity wine.

Brisa Chardonnay

This wine combines the great expression of aromas and flavours of grapes that come from different microclimates in the Central Valley, obtaining a fresh, smooth and very fruity wine.

Brisa Cabernet Sauvignon

The vinification aims to enhance the flavours and aromas typical of the variety, obtaining fresh, fruity wines with mild, kindly tannins.

Brisa Merlot

Bright red with violet highlights. Fresh and fruity with a delicate touch of spice, plums, with friendly tannins, and juicy, balanced acidity.
