

Fruits Rouges & Co. Purees & Coulis

Fruit Purees & Coulis

Fruit Rouges & Co. purees are available fresh/ambient or frozen, the fruit coulisis are frozen. Both are made from fruit picked by the growers at the perfect level of ripeness.

The fruit is carefully selected and processed into fruit purees and coulisis in our production facilities in France following procedures that help to retain all of the original goodness of the fresh fruit.

Fruit purees are comprised of 90% fruit and have 10% sugar added in the form of crystallised sugar derived from local sugar beet production. Fruit coulisis are at least 80% fruit.
