G's Gourmet

Award-winning Jams
 G's Gourmet Jams is a family run business situated in the centre of Ireland, near the heritage town of Abbeyleix, in County Laois. Almost 20 years ago Helen Gee's passion for food saw an opening to bring her family recipes back to life, and from her kitchen she started to build a brand that came from the heart.

G's Gourmet Jams are committed to sourcing only the finest quality fruit and using all-natural ingredients which gives them their distinctive and unique taste.

With the success of their award-winning Jams, Marmalades and Jellies, a savoury range of Chutneys, Relishes and Sauces was added along with most recently, a Reduced Sugar Range to continue to bring diversity to their product portfolio.

G's Gourmet Jams have turned traditional recipes and methods passed down from generation to generation into a thriving family business.

Supporting Irish

As a 100% Irish owned family business we truly believe in supporting Irish products from Irish suppliers.

But we also care about supporting the local Irish community by creating employment opportunities and support and serve our clients in the best possible way.

Allergens

In the EU, if any of 14 major food allergens listed below have been added as deliberate ingredients to pre-packed food products, then they must be displayed on the product label. Of these, peanuts, fish, shellfish, egg, tree nuts, milk and gluten are most relevant for the island of Ireland.

Below you will find food ingredients that must be declared as allergens in the EU.
