Glenhaven

Our family started Glenhaven in Wicklow over 35 years ago. Since then, Glenhaven has grown to be Ireland's largest producer of coated chicken products, proudly employing over 170 people here.

We deliver consistently high-quality, premium chicken products, tailored specifically for the Irish foodservice market. Made with 100% chicken breast fillet, our delicious battered and breaded chicken products are always full of flavour. That's why our catering, take-away and hot deli counter chicken products have been enjoyed by customers across Ireland and the UK for over three decades.

A lot has changed since 1986, but some things never will, like our family's commitment to bringing you and your customers only the best, locally made chicken products in Ireland.
